Fuldfarvede paneler

Versioner af de mulige fuldfarvede plader der findes i designet. Vi anbefaler at der anvendes en til to fuldfarvede plader for at skabe ro omkring de illustrerede plader.

Læring og kort

Paneler til læring, specialtegnede bykort og kort over Danmark, Europa og Verden på dansk.

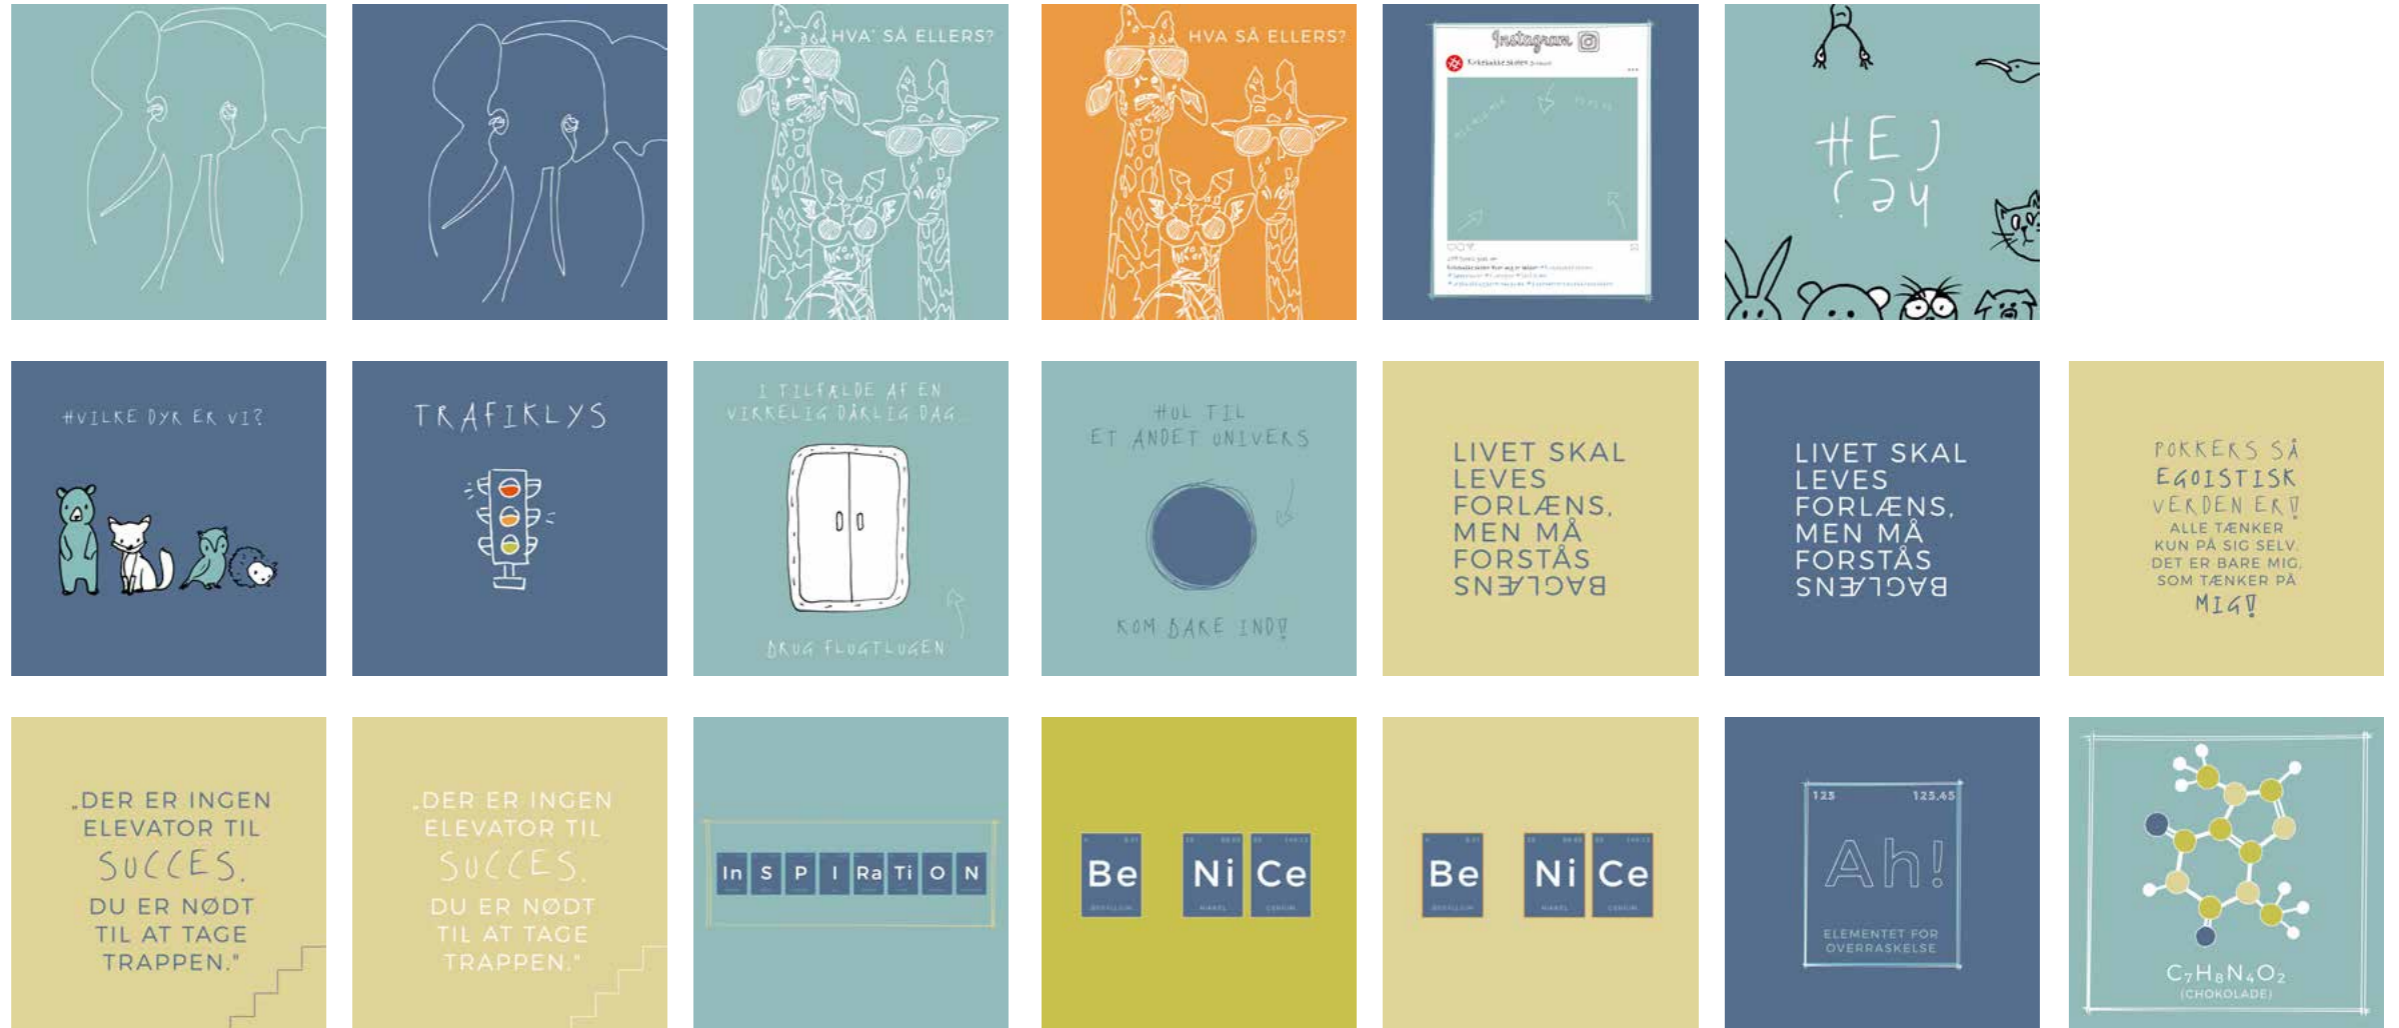

De syv kompetencer med og uden tekst

De syv kompetencer uden eller med undertekster.

Illustrationer og statements

Forskellige illustrationer og statements med udgangspunkt i læring og kreativitet.
